The District Governor's goals

Helping women and girls locally and internationally is an honor

As Governor, my goals are:

To continue to build for our future, to strengthen clubs and transition to full member's engagement and advance the vision of Zonta International.

Promote diversity and avoid inclusion.

I enjoy being a hands-on leader, collaborating and reflecting with my peers while taking responsibility and making decisions for the betterment of the organization.

A world where women are safe, healthy, independent and educated is a wonderful goal.

A message from the District Governor

Dear Zontians

After a massive participation of District 18 in the Hamburg convention, you mobilized as one for visibility and advocacy actions.

I am delighted by the various actions that you undertook to mark these activities.

I urge you to work even harder so that our fight to increase our membership becomes a reality before the end of this biennial 2022-2024.

I am proud of all of you and wish to thank you so much for your commitment to making the Zonta dream to achieve a world free of violence against women and girls a reality.
